EXERCISE: 7

NAME: V SREEDHAR

DATE: 27.04.2021

REGNO: 185001161

Exercise 7: Website for International Conference using React

Design a Website for an International Conference using React. (Similar to Ex 1)

Specifications:

1. The conference homepage should consists of the following tabs:

Home, Committee, Call For Papers, Important Dates, Workshops, Registration and Contact.

2. On clicking each tab, it should open in the same page (SPA). (Use react router)

3. The website should contain logos, header, footer.

4. The Header and footer should be same for all links.

5. For pre-conference workshop registration use form elements.

Program:

(JAVASCRIPT file index.js)

```
import React from 'react';
import ReactDOM from 'react-dom';
import './index.css';
import App from './App';
import {BrowserRouter as Router} from 'react-router-dom'
```

```
ReactDOM.render(
  <Router>
    <App />
  </Router>,
  document.getElementById('root')
);
```

(JAVASCRIPT file App.js)

```
import React from 'react';
import {Switch, Route, Link, Redirect} from 'react-router-dom';
import Committee from './component/Committe';
import Contact from './component/Contact';
import Dates from './component/Dates';
```

```

import Home from './component/Home';
import Papers from './component/Papers';
import Registration from './component/Registration';
import Workshop from './component/Workshop';
